

Financial Accounts Outsourcing

Why Choose Us for Your Outsourcing Needs

Trusted advisors are in high demand in today's changing economy. The audit professionals of NDC-BPO take the time to understand their clients' businesses as well as the industry in which they operate. We can help identify major risks and opportunities beyond the traditional financial reporting function.

NDC-BPO provides a range of audit and advisory services to assist its clients in achieving their business objectives, managing their risk, and improving their business performance. Large businesses as well as small can benefit from our audit and assurance services.

Due to the nature of our business, we are able to offer a lower price than many of the larger firms. However, our auditing staff is highly qualified and we offer the same value as the larger firms. So, stop paying unreasonably high auditing cost and boost your businesses bottom line by having your audit done by the professionals at NDC-BPO.

It's our business to understand, and to deliver that business wisdom to you in a way that matches the needs of your personal and business. NDC-BPO is a financial management company offering you comprehensive advice in all areas of your financial life.

Whether you're in need of personal financial planning, or looking for the right combination of benefits to offer your employees, our professionals work with you to develop the financial plans and strategies to meet your short-term and long-term objectives.

Our Mission is:

To identify "Best in Class" business processes, which, when implemented, will lead member companies to exceptional performance.
